

# INTERMEDIATE SCAFFOLDING STUDENT JOURNEY

- 1. Enrol in your Course**  
 Book your course online or by calling our friendly customer service team. You must already hold a Basic scaffolding licence.
- 2. Access your learning material**  
 You will receive a confirmation email which includes important information and login details for the Online Portal. Here you will access your pre-course material and complete your pre-course quiz.
- 3. Attend 4 Days of Training & Book into your SafeWork NSW Assessment**  
 Theory, Practical Training & Practical Assessment Preparation. Your assessment date will be held within 14 days, we recommend using this time to study.

## Receive your Credentials

Once deemed competent you will be issued a Notice of Satisfactory Assessment(NSA). This document allows you to immediately to erect, alter or dismantle a temporary structure within the scope of an intermediate scaffolder.

You will also receive a Statement of Attainment of CPCCLSF3001- Licence to erect, alter and dismantle scaffolding intermediate level.

Apply to SafeWorkNSW for your National High Risk Work Licence (SI Class) within 60 days at an Australia Post Office\*. Your Photo Licence will be mailed to you directly. Valid for 5 Years.

\*Post Office application fees apply.
